REVENUE SECRETARY No 29/11 GOVERNMENT OF MYSORE

SIR,

Subject - Estimate for the construction of buildings for the Municipal Octroi Offices, Bangalore City

---

With reference to your letter No L 423/R dated 8-7-1946 regarding the above, I have the honor to state that an estimate was got prepared for Rs 50,000/- in accordance with the instructions contained in the letter under advertance and that the same has been approved by the Municipal Council at their meeting held on 6-11-1947 A copy of their resolution together with the estimate in duplicate is forwarded herewith for favour of reference The report of the Municipal Engineer accompanying the estimate and the design explaining in detail the constructional work proposed to be taken up during the current year and also in the next

2 A sum of Rs 25,000/- is provided in the current year's budget under "B O" for this purpose and the balance amount required will be provided in the next year's budget I request that sanction of Government may kindly be obtained at a very early date to the resolution of the Council so that the work may be taken up on hand during the current year

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner

Office of the Municipal Executive Engineer,
Bangalore City, dated 14th July 1947

REPORT TO ACCOMPANY the estimate for construction of Municipal Octroi Offices ~~xx~~ in Hemmangurdi Road, Bangalore City

REFERENCE - Originally an estimate for Rs 45,000/- for the above work was got up and submitted to the Government for sanction in Municipal Commissioner's letter No [illegible] Pr 358/45 dated 20-3-1946

The estimate was returned by the Revenue Secretary to Government (with the letter No L 423/L dated 8-7-46) with the suggestion that the revised design now furnished by the Government Architect may be adopted, since the design originally got up do not carry space for parking of carts and lorries etc

---

An estimate for Rs 50,000 for the Ground and 1st floor has been got up duly adopting the design furnished by the Government Architect

The revised design furnished by the Government Architect will have the following accommodation -

The Ground floor provides for - 3 Godowns Halls measuring 2 of 14' x 35½' and 1 of 61¼' x 11' and other two rooms measuring 9½ x 5'3¾" both to accommodate the watchman and W Cs respectively A portico with a weighting plat-~~fra~~form measuring 14½ x 14' is also provided in front to accommodate the parking of vehicles etc The entire Octroi offices and the Treasury Room are proposed to be accommodated in the 1st Floor

The estimate got up carries provision for the construction of the building with pucca materials, such as, size stone in lime mortar for foundation, Basement and superstructure founded on a layer of lime concrete as shown in the accompanying design The doors and the windows proposed are all of Teack-wood The collapsible iron shutters are also proposed to the entrance for godowns The stairs as well as the partition walls between the Bath and Lavatories will be with R C C Sanitary and electrical fittings are also provided in the estimate

The cost of the work to an extent of Rs 30,000/- will be met under Buildings Original during the current year and necessary provision for the balance amount of Rs 20,000/- will be made in the next year's budget for 1948-49

Early sanction of Government to the estimate may be obtained after placing the same before the Managing Committee and the Municipal Council

Sd/- S Biligiri Rao,
Executive Engineer,
City Municipality
